

Theodore (Ted) Horton, Deputy Director, Austin Resource Recovery

Ted Horton is the Deputy Director for Austin Resource Recovery at the City of Austin. During the past 2 decades, he has held executive leadership positions in both the private and public sectors, focusing on expanding enterprise-level programs and driving substantial capital investments in recycling and solid waste operations across the United States.

Ted holds an MBA from the University of California, Berkeley, and a Bachelor of Science in Industrial Engineering with Highest Honors from Rutgers University. He is passionate about fostering organizational growth, enabling individuals' professional development and delivering essential community services through his work.
